

RIOT AGM

2ND JULY 2020 - 7pm

MEMBERSHIP REPORT: JO MCDUGAL

As you may know, we follow England Athletics with their membership dates. To that end, current memberships which usually terminate in June, will be valid until the end of August.

Our membership year 2019/20 saw a steady increase in growth on the previous year. We ended the year on 240 members, of these 88% were first claim to RIOT, and almost two thirds of those were first claim affiliated.

With our c25k courses, we charge a nominal fee of £5 which is then taken off their membership if they decide to join us. Our September c25k resulted in 20 graduates, with 14 of those becoming members of Dorchester RIOT. The course in January was just two weeks away from completion when lockdown hit us, however we had 21 runners still going from a starting point of 40. We have committed to those runners that we will complete their c25k course with them as soon as we can.

As has been said, the members in this club make this club. Thank you for your continued support and we look forward to when we can all meet up again.
